OFFICE OF THE ACADEMIC REGISTRAR

Advertisement for Graduate Programmes for 2025/2026.

The Academic Registrar, Kyambogo University invites applications for admission to Graduate Programmes (Postgraduate Diplomas, Master Degrees and Doctoral programs) for the 2025/2026 Academic Year. The applicants eligible for admission shall possess prerequisite qualifications (academic and professional) from a recognized institution by the National Council for Higher Education (NCHE), and **programme accredited at the time of completion**, as prescribed in the advertisement. No application for admission shall be considered outside this criteria.

All Graduate Programmes are **PRIVATELY SPONSORED**. The University Tuition Fees indicated for various programmes **exclude f**unctional fees, research, books, accommodation, bank charges and other expenses.

S/N	ACADEMIC PROGRAMMES	CODE	TUITION FEES PER ANNUM (UGANDA SHILLINGS)		MINIMUM ADMISSIONS REQUIREMENT
			Ugandan and East African Students	**International Students**	
FACULTY OF SOCIAL SCIENCES					
1.	PhD in Social Work (**By Coursework and Dissertation**)	GDSW	5,000,000/=	7,500,000/=	a) Master's degree in any of the following disciplines: social work, social administration, social policy, social development, sociology, psychology, anthropology, development studies,

					pastoral studies, public health and nursing, from a recognised higher institution of learning. b) Research synopsis spelling out the applicants' area of research interest for the PhD in Social work research project. The synopsis should highlight: the tittle of the proposed study, the research questions and or objectives to be investigated, statement of the problem, brief literature review, preliminary thoughts on the methodology to be used, the potential contribution of the study, claim of originality, and potential supervisor. The synopsis should not be more than 7 pages, formatted 1.5 spacing, font size 12, Times New Roman. c) Two writing samples to demonstrate the capacity of the applicant to write in a scholarly or professional style. The writing sample can be previously published work as a first or second author, a chapter from the MA. thesis, a paper submitted as an MA assignment, or a policy paper. Applicants can also write a fresh paper on a social work issue in a scholarly format such as APA or any other to demonstrate writing capacity. The writing sample should be between 15 and 20 of substantive content. d) Passing of the PhD in Social Work entry oral interview with at least 60 percent conducted by the departments' PhD admission committee. The interview will assess the applicants' motivation for doctoral study, their knowledge of the proposed study, their career plans, and general potential for doctoral study. e) Two letters of reference: one from employer and another from their former academic institution or from a person who can competently comment on the applicants' intellectual and research potential. f) A personal statement (Max. 2 pages, 1.5 pacing, font size 12, I inch margins), highlighting the reasons for pursuing a PhD in social work, the research and coursework experiences in

					preparation for doctoral study, your past social work experiences and how they have motivated you for PhD studies, future career plans or goals and how this PhD will help you to achieve them; and your reasons for choosing Kyambogo university.
2.	PhD in Public Policy and Governance (**By Research Only**)	GDPG	5,600,000/=	8,400,000/=	a) A Master's Degree in Social Sciences and related fields in Humanities, or Possession of BED qualifications and a relevant Master Degree. b) A statement of purpose. c) A synopsis of intended research (maximum 1,000 words) d) Two letters of reference.
3.	Master of Counseling Psychology	GMCP	4,600,000/=	6,900,000/=	At least a Second Class Degree in Bachelor of Guidance and Counselling, Bachelor of Community Psychology, Bachelor of Industrial/organizational psychology, Bachelor of Social work and administration, Bachelor of Social Sciences (**majoring and minoring** in Psychology) Bachelor of Education, BSc. Education, BA Education, Bachelor of Community based Rehabilitation and Bachelor of Special Needs Education.
4.	Master of Organizational Psychology	GMEO	4,600,000/=	6,900,000/=	At least a Second Class Degree in Bachelor of Human Resource Management, Bachelor of Guidance and Counselling, Bachelor of Community Psychology, Bachelor of Industrial/Organizational Psychology, Bachelor of Social Work and Social Administration and Bachelor of Arts in Social Sciences (majoring and minoring in Psychology).
5.	Master of Arts in Public Administration and Resource Governance	GMAP	2,400,,000/=	3,600,000/=	Second Class Degree in Education, Bachelor of Arts in Arts, Bachelor of Arts in Social Science, plus a Postgraduate Diploma in Political Science, Postgraduate Diploma in Public Administration, Post Graduate Diploma in Human Resource or any other related discipline from a recognized Institution
6.	Master of Social Work	GMSAW	5.000,000/=	7,500,000/=	Second Class Degree in Social Sciences (e.g. Psychology, Sociology, Social Administration) from a recognized university, Or Health Science related disciplines like Nursing, Palliative Care, Medicine and Public Health from a recognized Institution.

7.	Master of Arts in Economics	GMAEE	3,000,000/=	4,500,000/=	Second Class Degree in Bachelor of Quantitative Economics, Economics and Statistics, Commerce, Business Administration, Microfinance), Bachelor of Arts with Economics, Bachelor of Arts with Education, Bachelor of Science with Education, Bachelor of Arts with Social Sciences (Economics major) Or any other field with strong Economics background from any recognized Institution.
8.	Master of Arts in Development Studies	GMADS	3,800,000/=	5**,7**00,000/=	First class or Second-Class degree from any recognized Institution.
9.	Master of Gender and Women Studies	GMWS	5,000,000	7,500,000	Second Class Degree in Development studies, Gender studies, Humanities, Social Sciences, Social Work and Social Administration, Public Administration and Management, Education, Engineering, Medicine, Public Health, Political Science, Business Management and Administration, Economics or any other Bachelor's Degree from a recognized institution.
10.	Master of Security and Diplomatic Studies	GMASD	5,314,000/=	7,971,000/=	Second Class Honours Degree obtained in any of the following: International Relations, Educational Management, Public Administration, Bachelor of Arts in Social Sciences or any other related field in Social Sciences fields from a recognized Institution. Science based academic qualifications who possess a minimum of Second Class Lower degree with relevant work experience in Security, Diplomatic and General Public Administration fields shall also be considered.
11.	Postgraduate Diploma in Security and Diplomatic Studies	GPSD	1,700,000/=	2,550,000/=	Second Class Lower Honours degree obtained in any of the following: International Relations, Educational Management, Public Administration, Bachelor of Arts in Social Sciences or any other related field in Social Sciences fields from a recognized Institutions. Science based academic qualifications with a minimum of Second Class Lower Degree but with relevant work experience in security, diplomatic and general public administration fields shall also be considered.

	FACULTY OF ARTS AND HUMANITIES				
1.	PhD in Religious Studies (**By Research Only**)	GDRS	5,600,000/=	8,400,000/=	Master of Arts in Religious Studies, Ethics**,** Peace and Conflict Resolution or any other related fields and, a concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training prior to Provisional Admission.
2.	PhD in Musical Arts (**By Coursework and Dissertation**)	GDMA	5,000,000	7,500,000/=	Master of Arts in Music, Master of Music Education, Master of Pedagogy with either music, dance or drama at Bachelor's degree level, Master of Performing Arts, Master of Arts in Literature, Master of Arts in Dance, Master of Arts in Drama, Masters in Film and Media Studies, Masters in Indigenous and Heritage Studies, and, a concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training prior to Provisional Admission.
3.	PhD in Geography (**By Coursework and Dissertation**)	GDGG	6,500,000	9,750,000/=	Master's degree in Geography, Education majoring in Geography, Forestry, Environmental Science and Management, Surveying, Social Sciences, Development studies, Integrated Watershed Management, Botany, Meteorology, GIS and Remote sensing, Urban Planning, Agriculture, Land use and Regional Planning, Tourism, Climate change, Disaster Risk Management and Civil Engineering. A concept or synopsis of between three (3) to five (5) pages submitted to the Directorate of Research and Graduate Training prior to provisional admission.
4.	PhD in History (**By Research Only**)	GDHS	6,000,000	9,000,000/=	Master's Degree in History, Archaeology, Heritage Studies, Cultural Studies, Anthropology, Peace Studies, Security, Political Studies (Science), and History of Human Rights. Those with master's degrees other than in history should have a strong background in history at the undergraduate level and, a concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training prior to Provisional Admission.
5.	Master of Arts in History	GMAH	2,400,000/=	3,600,000/=	Second Class Degree in Bachelor of Education, Bachelor of Arts with

					Education, Bachelor of Arts in Arts or any other Bachelors Degree having majored or minored in History, from a recognized Institution**.**
6.	Master of Arts in Religious Studies	GMAR	4,800,000/=	7,200,000/=	Second Class Degree in Bachelor of Education, Bachelor of Arts with Education, Bachelor of Arts in Arts, Bachelor of Divinity, Bachelor of Arts and Social Sciences or any other Bachelor Degree having majored in Religious Studies, from a recognized Institution.
7.	Master of Geography	GMGE	4,000,000/=	6,000,000/=	Second Class Degree in Bachelor of Arts or Bachelor of Science degree in Geography and related fields such as Agriculture, Forestry, Soil Science, Meteorology, Hydrology/ or Water Resources, Geology, Environmental Science, Social Sciences, Economics, Tourism, information technology, Environmental management, Urban planning, Population studies, Gender, Botany, Zoology, Civil Engineering and Surveying from a recognized University or Institution.
8.	Master of Arts in Literature	GMAL	4,000,000/=	6,000,000/=	Second Class Degree in Bachelor of Education (Secondary), Bachelor of Arts with Education, Bachelor of Arts in Arts, Bachelors in Journalism or any other Bachelor Degree having majored in Literature or English from a recognized Institution.
9.	Master of Musical Arts with Education	GHMAE	3,600,000/=	5,400,000/=	Second Class Degree in Bachelor of Education, Bachelor of Arts in Arts (Music) plus a PGDE/PGDTE, Bachelor of Education Primary (Music), Bachelor of Teacher Education (Music), Bachelor of Arts in Music, Dance and Drama, Bachelor of Education (Music), Bachelor of Arts with Education (Music), Bachelor of Arts in Arts with Music, Bachelor of Performing Arts, Bachelor of Creative Arts, Bachelor of Teacher Education (Music), Bachelor of Arts in Music Dance and Drama, Bachelor of Music, from a recognized Institution.
10..	Master of GIS and Remote Sensing	GGIS	5,000,000	7,500,000/=	Second Class Bachelor's degree in Geographical Information Systems, Surveying, Engineering, Architecture, Natural Resources Management, Agriculture, Physical Planning, Land use and Water

					Resources Management, Demography, Tourism, Public Health, Information Technology/Computer Science and Development Studies OR. Bachelor of Arts with Education, Bachelor of Arts (Arts) and Bachelor of Education who offered Geography as one of their subjects.
11.	Master of Arts in Kiswahili	GMAK	4,000,000	6,000,000	A 2nd Class honours degree, with Kiswahili as an area of specialization, in Bachelor of Arts with Education (BA. ED) with Kiswahili, Bachelor of Education (BED) with Kiswahili, Bachelor of Arts in Arts (BAA) with Kiswahili, Post Graduate Diploma in Teacher Education (PGDTE) with Kiswahili, Bachelor of Mass Media and Filming Industry (Kiswahili) (BMMF),Bachelor of Teacher Education (BTE) with Kiswahili, Post Graduate Diploma in Education (PGDE) with Kiswahili
SCHOOL OF EDUCATION					
1.	PhD in Education (**By Course work and Dissertation**)	GDED	5,600,000/=	8,400,000/=	Master of Education related fields from recognized institutions by the National Council for Higher Education and a Concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training prior to provisional admission.
2.	Master of Education (Pre-Primary)	GMPP	4,000,000/=	6,000,000/=	At least a Second Class Bachelor of Teacher Education with a specialization in Early Childhood Education, Bachelor of Education with a specialization in pre-primary education, Bachelor of Education with a specialization in Early Childhood Education, Bachelor of Education (Primary) (second class), Bachelor's degree with Post Graduate Diploma in Teacher Education with a specialization in Early

					Childhood or Pre-primary, and a Bachelor's degree with Post Graduate Diploma in Education with a specialization in Early Childhood Development or Pre-primary from recognized institutions by the National Council for Higher Education.
3.	Master of Education in Educational Foundations	GMEF	3,800,000/=	5,700,000/=	At least a Second Class Degree- Bachelor of Teacher Education, Bachelor of Education, Bachelor of Arts/Science/Vocational/Business Studies with Education or at least a second class Postgraduate Diploma in Education/Teacher Education from recognized institutions by the National Council for Higher Education.
4.	Master of Education in Policy, Planning and Management	GMED	3,000,000/=	4,500,000/=	At least a Second Class Degree in Education, Arts, Humanities, Social Sciences, Science, Engineering, Technology, Law, Medicine, Business Administration, Entrepreneurship, Vocational Studies and Special Needs Education from a recognized Institution.
5.	Master of Teacher Education Primary	GMETP	4,000,000/=	6,000,000/=	At least a Second Class lower Degree- Bachelor of Teacher Education, Bachelor of Education Degree with specialization in Primary, Bachelor of Education Degree with specialization in Early Childhood Education, Bachelor's Degree with a Post Graduate Diploma in Teacher Education from recognized institutions by the National Council for Higher Education.
6.	Postgraduate Diploma in Educational Management and Leadership	GPEL	1,600,000/=	2,400,000/=	At least a Second Class Lower Bachelor's Degree in Education, Arts, Humanities, Social Sciences, Science, Engineering, Technology, Law, Medicine, Business Administration, Entrepreneurship, Vocational Studies and Special Needs Education from recognized institutions by the National Council for Higher Education.
7.	Postgraduate Diploma in Pre-Primary Education	GPEPP	3,000,000/=	4,500,000/=	At least a Second Class Bachelor's Degree in Education, Arts, Humanities, Social Sciences, Science, Engineering, Technology, Law, Medicine, Business Administration, Entrepreneurship, Vocational Studies and Special Needs Education from recognized institutions by the National Council for Higher Education.
8.	Postgraduate Diploma in Technical and Vocational Education	GPEV	3,000,000/=	4,500,000/=	At least a Second Class Bachelor's degree in any technical/vocational field from recognized institutions by the National Council for Higher

					Education.
FACULTY OF ENGINEERING					
1.	Master of Science in Construction Technology and Management	GMET	6,000,000/=	9,000,000/=	Second Class Upper from a four-year Bachelor's degree or its equivalent from a recognised University/Institution in the following disciplines: Civil and Building Engineering; Environmental Engineering; Building Economics; Quantity Surveying; Physical and Urban Planning; Architecture; Second Lower, Honours Bachelor's Degree in Civil Engineering from a recognized Institution and relevant work experience of at least two years; Pass Degree in Civil Engineering plus a Postgraduate Diploma in Civil Engineering or related field from a recognized Institution and at least three years' relevant work experience.
2.	Master of Science in Advanced Manufacturing Systems Engineering	GMEM	6,000,000/=	9,000,000/=	Second Class Bachelor's Degree from a recognized Institution in any of the following fields: Bachelor of Engineering in Mechanical and Manufacturing Engineering, Bachelor of Science in Mechanical Engineering, Bachelor of Manufacturing Engineering, Bachelor of Engineering in Automotive and Power Engineering, Bachelor of Industrial Engineering and Management, Bachelor of Science in Oil and Gas Exploration Engineering, Bachelor of Science in Oil and Gas Production Engineering, Bachelor of Science in Agro-Processing Engineering, and Bachelor of Science in Chemical Engineering.
3.	Master of Science in Structural Engineering	GMES	6,000,000/=	9,000,000/=	Second class Upper Honors Bachelor's Degree in Civil and Building Engineering; Environmental Engineering of Kyambogo University or its equivalent from a recognized Institution; or Second class Lower Honors Bachelor's Degree in Civil and Building Engineering, Environmental Engineering of Kyambogo University or its equivalent from a recognized Institution and relevant work experience of at least two years; or Pass Degree in Civil Engineering plus a Postgraduate Diploma in

					Structural Engineering or its equivalent from a recognized Institution and at least three years relevant work experience.
4.	Master of Science in Water and Sanitation Engineering	GMEW	6,000,000/=	9,000,000/=	Second-class Upper Honors Bachelor's Degree in Civil and Building Engineering, Environmental Engineering or its equivalent from a recognized Institution, or Second class Lower Honors Bachelor's Degree in Civil and Building Engineering, Environmental Engineering or its equivalent from a recognized Institution and relevant work experience of at least two years, or Pass Degree in Civil and Building Engineering, Environmental Engineering, plus a Postgraduate Diploma in Civil Engineering and Building Engineering, Environmental Engineering or its equivalent from a recognized Institution and at least three years relevant work experience.
5.	Postgraduate Diploma in Manufacturing Systems in Engineering	GPEM	6,000,000/=	9,000,000/=	Second Class Bachelor's Degree from a recognized Institution in any of the following fields: Bachelor of Engineering in Mechanical and Manufacturing Engineering, Bachelor of Science in Mechanical Engineering, Bachelor of Manufacturing Engineering, Bachelor of Engineering in Automotive and Power Engineering, Bachelor of Industrial Engineering and Management, Bachelor of Science in Oil and Gas Exploration Engineering, Bachelor of Science in Oil and Gas Production Engineering, Bachelor of Science in Agro-Processing Engineering, and Bachelor of Science in Chemical Engineering.
FACULTY OF SCIENCE					
1.	PhD in Food Technology (**By Research Only**)	GDFT	6,000,000/=	9,000,000/=	Master's Degree in relevant fields e.g. Masters in Food Science and Technology, Masters in Nutrition or related discipline from recognized Institution and a concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training

					prior to Provisional Admission.
2.	PhD in Physics (**By Research Only**)	GDSP	6,000,000/=	9,000,000/=	Master's Degree in field of Physics from recognized institution and a concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training prior to Provisional Admission.
3.	PhD in Chemistry (**By Research Only**)	GDSC	6,000,000/=	9,000,000/=	Master's Degree in relevant fields e.g. Master of Science in Chemistry or related discipline from recognized institution and a Concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training prior to Provisional Admission.
4.	PhD in Sport Science (**By Research Only**)	GDSS	6,000,000/=	9,000,000/=	Master's Degree in Sports Science, Master of Physical Education, Master of Sports Management, Others Masters in the fields of Exercise Science, Sport Coaching, Fitness, Sport Medicine, Health Education, Recreation Hospitality and Tourism from recognized Institution and a concept/synopsis of between three to five pages submitted to the Directorate of Research and Graduate Training prior to provisional admission
5.	Master of Science in Chemistry	GMCH	3,000,000/=	4,500,000/=	Second Class Degree in Bachelor of Science Chemistry With Education Majoring in Chemistry, Bachelor of Science Technology-Chemistry, Bachelor of Industrial Chemistry, Bachelor of Science in Chemical Engineering, Bachelor of Biochemistry Or any other related discipline from recognized Institution.
6.	Master of Science in Conservation and Natural Resources Management	GMSM	4,000,000/=	6,000,000/=	Second Class Degree in Bachelor of Science Technology, Bachelor of Science in (Chemistry, Biology, Physics, and Geography), Bachelor of Environmental Science Technology, Bachelor of Science in Conservation Biology and Environmental Engineering, Bachelor of Science in (Botany, Biochemistry, Biology, Chemistry, Laboratory Technology, Demography, Statistics, Economics) or any other related discipline.
7.	Master of Science in Food Science and Technology	GMFT	4,000,000/=	6,000,000/=	Second Class Lower Degree in Bachelor of Food Science and Technology, Bachelor of Food Processing Technology, Bachelor of

					Food and Nutrition, Bachelor of Science in (Biochemistry, Biology, Chemistry, Public Health, Veterinary Medicine) or other related discipline to Food Technology from a recognized Institution.
8.	Master of Science in Physics	GMSP	5,000,000/=	7,500,000/=	Second Class Degree in Bachelor of Education (Physical), Bachelor of Science with Education (Physical), Bachelor of Science (Physical), Bachelor of Science Technology – Physics or any Bachelor's Degree in the field of Physics, from a recognized Institution and the student must have done his/her Undergraduate Research/Project in Physics discipline.
9.	Master of Science in Sport Science	GMSS	3,000,000/=	4,500,000/=	Second Class Lower in Bachelor of Sports Science, Bachelor of Science in Physical Education, Bachelor of Sports Management, Bachelor of Sports and Leisure Management or any other related field of Sport and Recreation Industry from a recognized Institution. Postgraduate Diploma in Physical Education, Sports Management or a related field. Second Class Lower Degree with a Diploma in Physical Education, Sports Management, Sports Coaching, Hospitality, Human Nutrition, Kinesology and Tourism Management. Second Class Lower Degree considered relevant to the Sport Leisure and Recreation Management, Hospitality, Human Nutrition, Kinesiology, Tourism Management, and Biokinetics.
10.	Master of Science in Applied Mathematics	GMAPM	4, 000, 000/=	6,000, 000/=	Second-Class Bachelor's degree in the following disciplines: Bachelor of Science degree majoring in Mathematics, Bachelor of Science with Education degree majoring in Mathematics, Bachelor of Statistics or Bachelor of Science with/in Statistics, Bachelor of Science in Computer Science and Bachelor of Science in Engineering with 4 courses in Mathematics, at least 2 of which must be in Applied Mathematics.
11.	Master of Public Health	GMSPH	4,000,000/=	6,000,000/=	Second Class Degree in Bachelor of Health Sciences in Human and Veterinary Medicine, Dentistry and Nursing, Bachelor of Social Sciences such as Social Work, Sociology, Economics, Demography

					and Statistics, Bachelor of Sports Management, Bachelor of Biological Sciences (Environmental Sciences, Biology, Laboratory Sciences Sports and Leisure Management or any other related field from a recognized Institution.
12.	Master of Science in Applied Statistics	GMAS	4,000,000/=	6,000,000/=	Second-Class Bachelor's degree in the following disciplines: Bachelor of Science in Statistics, BSc (Stat), Bachelor of Statistics, (B.Stat.), Bachelor of Science (BSc) degree with Statistics as one of the subjects, BSc degree with Education majoring in Mathematics, Bachelor of Economics and Statistics, Bachelor of Business Statistics and Postgraduate Diploma (at least Credit Class) in Statistics.
13.	Postgraduate Diploma in Food Safety Management	PDFS	1,600,000/=	2,400,000/=	Second Class degree in Bachelor of Food Science and Technology, Bachelor of science in (Chemistry, Agriculture, Biological Sciences, Bio-chemistry) or any other related discipline.
14.	Postgraduate Diploma in Physical Education and Sports	PGES	1,600,000/=	2,400,000/=	Second Class Degree in fields of either Arts or Sciences with practical experience in Sport at School, College, University or Institution. Applicants must be registered teachers.
FACULTY OF SPECIAL NEEDS AND REHABILITATION					
1.	PhD in Special Needs Education (**By Course work and Dissertation**)	GDSN	6,400,000	9,600,000	Master of Special Needs Education, Master of Education, Master of Adult and Community Education, Master of Science in Disability Studies Degree from a recognized Institution with a synopsis of 4–8-pages indicating the area of research interest. Three (3) referees - at least one must be familiar with the applicant's academic work at Master's level.
2	Master in Special Needs Education	GMSN	3,000,000/=	4,500,000/=	Second Class Degree in the field of Special Needs Education, Community Based Rehabilitation, Adult and Community Education and Social Work and Community Development, Education or any

					other Degree with Postgraduate Diploma in Special Needs Education.
3.	Master of Disability Studies and Inclusive Development	GMDS	4,000,000	6,000,000	Second Class Bachelor's Degree or its equivalent from a recognised institution.
4.	Master of Community Development and Lifelong Learning	GMCD	3,000,000	4,500,000	Second-class lower bachelor's degree preferably in; Adult and Community Education, Social Work, Development Studies, Community Development, Social justice, Special Needs Education, Education, Agriculture, **OR** Other degrees from a recognized University/Institution of higher learning and are **PRACTITIONERS** of community education and lifelong learning. Holders of a credit postgraduate Diploma in Community Development and Lifelong Learning of Kyambogo University will be admitted in year two of the Master's programme.
5.	Master of Science in Ugandan Sign Language Translation and Interpretation	GMNI	3,000,000	**N/A:** International applicants are not eligible for this program	i. Holder of an honours degree with a Diploma in Sign Language Interpreting, **OR** ii. Holder of an honours degree without a Diploma in Sign Language Interpreting shall be required to pass a practical competence test in Ugandan Sign Language Interpreting and Translation administered by Kyambogo University.
6.	Postgraduate Diploma in Community Based Rehabilitation	GPCR	1,400,000/=	2,100,000/=	Second Class Honors Degree from a recognized Institution
7.	Postgraduate Diploma in Special Needs Education	GPSN	1,800,000/=	2,700,000/=	Second Class Honors Degree in related fields suitable for Service in Special Needs Education and Rehabilitation.
8.	Postgraduate Diploma in Community Development and Lifelong Learning	GPCD	3,000,000	4,500,000	Bachelor's degree preferably in Adult and Community Education, Social Work, Development Studies, Community Development, Social justice, Special Needs Education, Education, Agriculture, **OR** Other degrees from a recognized University/Institution of higher learning and is a practitioner of community education and lifelong learning.
SCHOOL OF MANAGEMENT AND ENTREPRENEURSHIP					

1.	Master of Accounting and Information Systems	GMAIS	4,000,000/=	6,000,000/=	Second Class Bachelor's Degree in any field of study from a recognized Institution. Individuals with professional qualifications in either accounting and or information systems are eligible.
2.	Master of Business Administration	GMBA	4,000,000/=	6,000,000/=	Second Class Bachelor's Degree in any field of study from a recognized Institution. GMAT Examination shall be administered by Kyambogo University on the date to be communicated by the Directorate of Research and Graduate Training. Shortlisted applicants shall pay a non-refundable fee of 50,000/= for GMAT test.
3.	Master of Procurement and Supply Chain Management	GMSC	4,000,000/=	6,000,000/=	a)Second Class Degree in any the following areas : science, engineering, pharmacy, business, economics, statistics and related areas b)Professional qualification in procurement and supply chain management
4.	Master of Organization and Public Sector Management	GMOP	4,000,000/=	6,000,000/=	Second Class Bachelor's Degree or its equivalent from a recognized Institution.
SCHOOL OF ART AND INDUSTRIAL DESIGN					
1.	PhD in Design and Visual Culture (**By Course work and Dissertation**	GDAD	10,000,000/=	15,000,000/=	Master's Degree or its equivalent in the following specialties: Fine Art, Art and Design, Performing Arts, Architecture, Material Culture, Curatorship/Museology, Archaeology, Anthropology, History and Public Health, obtained from an Institution of Higher Learning recognized by the National Council for Higher Education and a concept/synopsis of intended research of not more than 1000 words must accompany the application.
2.	Master of Art and Industrial Design	GMAID	3,500,000/=	5,250,000/=	Second Class Bachelor's Degree in a field related to Art such as; Bachelor of Education (B. Ed) Art & Design, Bachelor of Vocational Studies Art & Design with Education, Bachelor of Art & Industrial

					Design, Bachelor of Fine Art, or a Bachelor degree in a related area such as Architecture, Material Culture, Curatorship or Museum studies, Anthropology or any other area related to Art whose content is found relevant to MAID
3.	Master of Art in Digital and Visual Communication	GMADVC	3,500,000/=	5,250,000/=	Second Class Bachelor's Degree in a field related to Art such as; Bachelor of Computer Graphic Design, Bachelor of Art & Industrial Design, Bachelor of Graphic Design and Illustration, Bachelor of Fine Art, Bachelor of Art and Cinematography, Bachelor of Vocational Studies in Education with Art and Design or Bachelor degree in a related area whose content is found relevant to Master of Arts in Digital and Visual Communication (MADVC)
4.	Master of Fine Art	GMFA	3,500,000/=	5,250,000/=	Second Class Bachelor's Degree in a field related to Art such as; Bachelor of Education (B.Ed) Art & Design or its equivalent, Bachelor of Vocational Studies in Art & Design with Education or its equivalent, Bachelor of Art & Industrial Design or its equivalent., Bachelor of Fine Art, or Any Bachelor degree in a related area such as Architecture, Material Culture, Curatorship or Museology, or Anthropology and others whose content is found relevant to MFA programme.
SCHOOL OF VOCATIONAL STUDIES					
1.	PhD in Human Nutrition (**By Research Only**)	GDHN	8,000,000/=	12,000,000/=	Master's Degree in the following areas: Human Nutrition, Agricultural Sciences, Public Health, Food Science, Food Processing Technology, Biochemistry, Chemistry, Biological Sciences, Home Economics, Sports Science, Hospitality, Human Medicine, Nursing, Pharmacy, Veterinary Sciences and Health Science. Submission of a research concept paper/synopsis (4-6 pages) that will be reviewed by a committee appointed by the University to establish its clarity, relevance and suitability. Three (3) referees supporting the application.

2.	Master of Science in Human Nutrition	GMHN	5,000,000/=	7,500,000/=	Second Class Degree in Bachelor of Science in (Human Nutrition, Dietetics, Agricultural Education, Human Medicines, Biological Sciences, Food Science, Veterinary Medicine Food Processing, Nursing) or any other related fields from a recognized Institution
3.	Postgraduate Diploma in Culinary Arts	GPCA	2,500,000/=	3,750,000/=	Second Class Bachelor's Degree or its equivalent from a recognized Institution.
FACULTY OF AGRICULTURE					
1.	Master of Science in Agricultural Education and Extension	GAEE	5,000,000/=	7,500,000/=	Second Class Degree in Bachelor of Agriculture, Bachelor of Vocational Studies in Agriculture with Education, Bachelor of Environmental Science, Bachelor of Agricultural Land Use Management Agricultural and Rural Innovations, Community Forestry, Animal Production and Technology Management, Fisheries and Aquaculture, or any other related field from a recognized Institution.
2..	Master of Science in Animal Production	GAIN	5,000,000/=	7,500,000/=	Second Class Degree in Agriculture or Natural Science disciplines such as Bachelor of Veterinary Medicine, Bachelor of Animal Husbandry, Bachelor of Fisheries and Aquaculture, Bachelor of Animal Production and Technology Management, Bachelor Science Education (Agriculture Double Main), Bachelor of Agriculture and Community Development, Bachelor of Agriculture, Bachelor of Wildlife Management, Bachelor of Food Science and Technology or any other related field from a recognized Institution.
3.	Master of Science in Soil Science	GASS	5,000,000/=	7,500,000/=	Second Class Degree in Bachelor of Science in Agriculture, Bachelor of Science in Vocational Studies in Agriculture with Education, Bachelor of Science in Environmental Science, Bachelor of Science in Agricultural Land Use Management or any other related field from a recognized Institution
4.	Master of Science in Crop Science	GMCS	5,000,000/=	7,500,000/=	Second Class Degree in Bachelor of Science in Vocational Studies in Agriculture with Education, BEd (Agriculture Double Main), BSc in Agriculture, Agricultural Sciences and Entrepreneurship, and Bachelor of

					Crop Husbandry or any other related field from recognized Institution.
5.
