ABOUT THE GMU

The KYU Gender Mainstreaming Unit (GMU) is one of the University Administrative units mandated to mainstream/i integrate gender in all the core functions of Kyambogo University including teaching and learning, governance, research and innovations, planning and budgeting, skills and knowledge transfer, collaborations, networks and partnerships, as well as other support services.

VISION

Kyambogo University to become the leading gender responsive institution of academic excellence.

GOAL

To promote gender and equity responsiveness in all the core functions of the university, by integrating gender into teaching, learning, research, innovations, skills and knowledge transfer, networks, collaborations and partnerships, governance, planning and budgeting, for the benefit of staff, students and other university stakeholders.

OBJECTIVES OF THE KYAMBOGO UNIVERSITY GENDER MAINSTREAMING UNIT

1. To increase understanding of and sensitivity to gender issues among university community members & stakeholders
2. To enhance gender equity, equality and empowerment in leadership, governance and management of the university.
3. To support gender mainstreaming in teaching and learning through engendering the university curricula.
4. To support gender focused research that will influence gender responsive innovations, decision-making and gender inclusive policy formulation at the university & national level.
5. To institutionalise gender-responsive planning and budgeting
6. To ensure a safe and secure environment for students and staff, free from sexual harassment and other forms of Gender Based Violence.
7. To review and mainstream gender in the existing and future policies and plans of the university

Core Values

1. Gender inclusiveness
2. Gender equity & equality
3. Confidentiality and integrity
4. Partnerships & collaborations
5. Transparency & Accountability

TARGET

1. Students
2. University staff (both academic and administrative)
3. University Management
4. Other stakeholder
